Dear Sir:-

Kindly quote me rates New York to Minneapolis with an alternative routing from Chicago to either Great Northern or Chicago, Milwaukee & St. Paul, sending me time-tables to cover. I desire to stop off at Cincinnati, either going or coming. Please state also the additional charge for Pullman.

Am I correctly informed that you permit a stop-over in Washington on such tickets? If so, will you specify, giving additional cost and details.

Very truly yours,

Secretary
